

Applying a promo code to your IBM Cloud account

This page will teach you how to apply a promo code to your existing IBM Cloud Lite account. If you don't have an IBM Cloud Lite account register [here](#).

Note:

If you are accessing your IBM Cloud account from [ibm.cloud.com](https://cloud.ibm.com) the option to apply a Promo Code can be found by navigating through the top menu item: **Manage -> Account** and then clicking on **Account Settings** in Left Menu or going directly to <https://cloud.ibm.com/account/settings>

Step 1: Log in

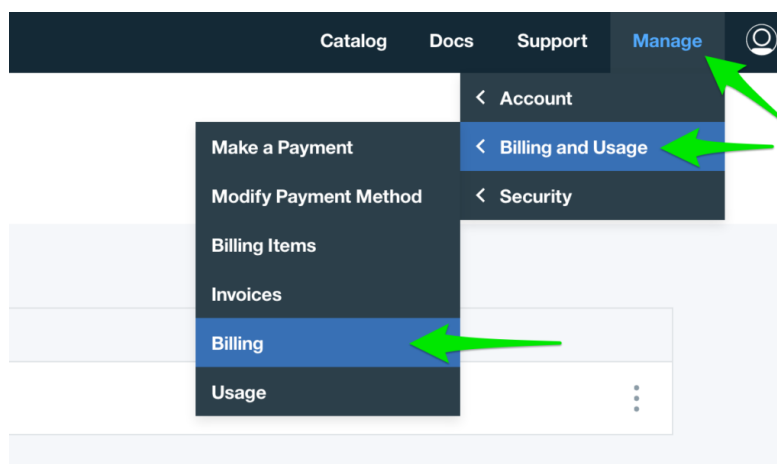

Log into your IBM Cloud Lite account.

Step 1: Log in

Log into your IBM Cloud Lite account.

Step 2: Visit the Billing page

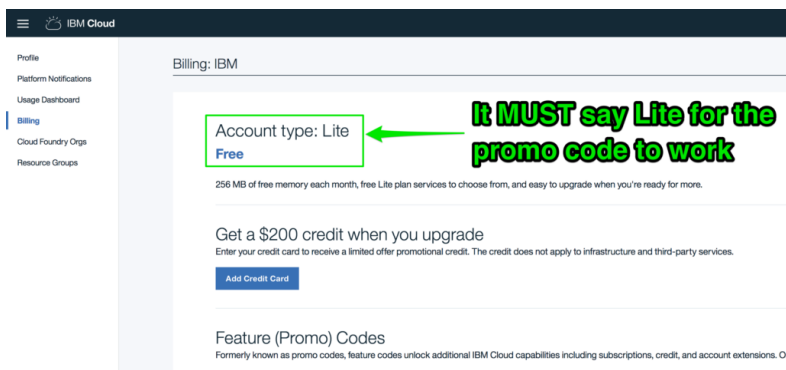

Click on Manage in the top-right, then Billing and Usage > Billing as shown in the figure below.

Step 3: Verify that you have a Lite account

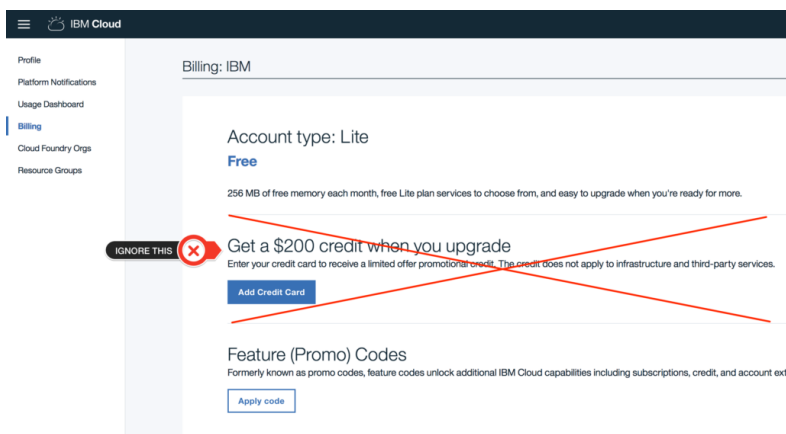

Verify that your Account type is Lite on the Billing page as shown in the image below.

your account is not a free Lite account you need to sign up for a new IBM Cloud account with a different email address to take advantage of this offer.

Step 4: Ignore the \$200 credit offer

promo code will allow you to receive \$1200 worth of services over a period of 6 months without adding a credit card. **Do not accept the inferior offer of \$200 credit for 30 days, or you will not be able to apply our code.** It's not possible to take advantage of both offers.

Step 5: Apply the promo code

Scroll down to locate **Find Feature (Promo) Codes** and click on the **Apply code** button as shown in the picture below.

Enter your credit card to receive a limited offer promotional credit. The credit does not apply to infrastructure and third-party services.

Add Credit Card

Feature (Promo) Codes

Formerly known as promo codes, feature codes unlock additional IBM Cloud capabilities including subscriptions, credit, and account extensions.

Apply code

Click Apply code

EU Supported: Off

If you select the EU Supported option, the most common Support issues will be limited to IBM Cloud staff located in the EU.

DANGER ZONE

Deactivate this account

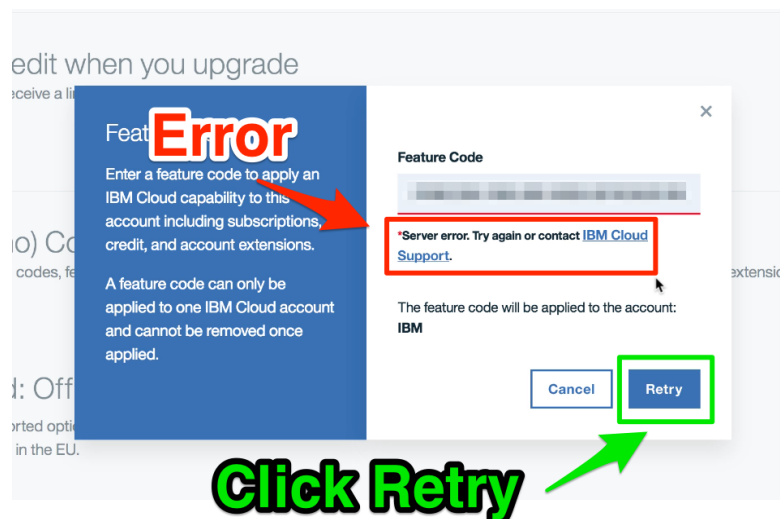

Deactivating this account cannot be undone. Please be sure you want to permanently unsubscribe and deactivate all data stored by IBM Cloud.

Copy the code below and paste it into the Promo Code window that appears like shown in the redacted image below.

Click the Apply button.

If you get an error, click Retry as shown below.

Step 6: Your account has now been upgraded

If you followed the steps correctly, congratulations, your account type should now go from Lite to Trial. You'll have access to standard IBM Cloud services for the next 6 months (a value of \$1,200 USD).

You can verify this atop the Billing page as shown in the image below.
